

Candela RECORDS

There are two sources for online Italian records: FamilySearch's **Historical Record Collections** and The National Archives of Italy's **Ancestors Portal**. You need to search both. The chart below provides steps on how to locate records for each.

This information was prepared for: **CANDELA, FOGGIA, PUGLIA**

Notes:

1. You need a FamilySearch account to access their Historical Record Collections. [Register Here](#) for a free account.
2. For the Historical Record Collections, read their "Description" and "Learn More" information about each collection.
3. For the Ancestors Portal, read their [Current News](#) to find the records most recently added.
4. Even though records may not be available today, they be added tomorrow. You need to check back often.
